PROGRAM INFORMATION

Over the years, the poultry industry has faced a myriad of challenges and opportunities, but one thing that remains top of mind is the welfare of our birds.

USPOULTRY
U.S. POULTRY & EGG ASSOCIATION

The **2025 Live Production, Welfare and Biosecurity Seminar** will address topics in production efficiencies, welfare and biosecurity best practices. The program speakers consist of industry managers, veterinarians and scientists who will make sure you are up to date on the key issues and concerns involved in grow-out operations.

Don't miss this year's seminar! It will have a lasting effect on you and your company.
